“ *When my wonderful Aunt Edith turn 95 back in January 2014, I sent her 95 beautiful roses at different times. She truly loved her birthday present and I was very proud to send them to her. Her sister and my Mother Cutie Coxton was also delighted in her place of honor above; now Aunt Edith has gone to join my Mother, her hubby King and her 2 brothers (Buck and Ellis) plus her 2 other sisters (Shirley and Dorthy). May they all rest in peace. I will not be able to attend her funeral and am very sad about that; but, I'm very pleased that I did send her those beautiful 95 roses on her birthday while she was still alive and she said she truly enjoyed them. I'm very thankful of sending her such a wonderful birthday present. I'm sure that my Mother has already given her a special sister hug! Also, in memory of my special Aunt Edith, my wife Priscilla and I have made a significant donation to the Health Wagon in her name.*

Plus, I've tried to attach 2 photos of the her roses.

Hi Bill,

King's family were always good friends of our family. Dad and King were brothers. I do not remember Edith that well as she did not attend the school where we were brought up. I know that she was a wonderful mother.

Sonja and I were the best of buddies. I remember one time that Sonja, Wade, and I were playing down by the creek. We decided to carve our names on the back of our hand with poison oak. Sonja and Kenneth both had blisters all over, mine did not even take. I always thank God that I was not allergic to any of those pests.

Sonja was a trooper when we were being raised on Grassy Creek. I send my condolences to the family at this time of grieving.

Have a wonderful Garden Days! Sorry I cannot be there. My best to Be Frank

Dear Uncle Ben and Daddy,

I am so sad to hear of Aunt Edith's passing. Even though I have not spent much time with her over the years, her existence has always given me so much faith in life, and kept me feeling close to Mammaw. How I wish I could attend the funeral. It pains me to be so far away. Fortunately, Celeste will be there for the night for the visiting, though she will be on the road at the time of the funeral. I have to return for Will's band event.

God bless Aunt Edith! Thank you Aunt Edith for all the love you have given my family over all the years! Also, let's keep Shelvie in our hearts and pray she is fortunate she has been to have her mother with her all of these years, and not lonely she must feel now.

I love you both. Be good to one another.

*love,
Angie*

“ *Hello Shelvie, I have fond memories of both your parents at the Grimsleyville community. Edith lived a long and fruitful life. Your father, King, was a special friend of my father, Edward Shortt. I pray that you will have peace during this trying process of wishing someone you love goodbye.*
