“ Edna was such a good person with a heart of gold. She's been my aunt all my life and the only person that ever gave me a "spanking" when I wouldn't mind and was going towards the road. So I deserved it and it taught me not to. When really she only patted my butt, but it hurt my feelings more than anything. She was never gonna let me forget it though because she loved to remind me of it as well as telling others and we always laughed about it. I loved her so much and I'll always carry her in my heart ❤️ she will definitely be missed.
