“ No words could ever express how saddened I am at the passing of my dear friend Edwin Halsey. He was the most honest, genuine, respectable and straight forward person I have ever known. He had a drive and desire to exceed any and all expectations, and a kind a compassionate heart to those less fortunate.

Anytime that he ever spoke of his son Chris, every word was filled with love and the expression on his face revealed how proud he was to be his father.

I know that I will never find another confidant quite like him. God truly smiled on my heart the day he blessed my life with the love and friendship of Edwin Halsey. An Angel is home now.
