“ Gene and Pam, words seem inadequate to express the sorrow felt by the loss of Effie. I hope that in the midst of your sorrow you find comfort in all the joyful memories you had with her. I had the privilege of knowing Effie for the past 26 years and was very fond of her. I will always remember the late nights playing cards, joking and picking with each other. All the fun we had when shopping or out eating, acting like a fool, just to get a laugh. But what I will remember the most is that any time I was at your house you made me feel at home. May you rest in peace Effie, you will not be forgotten. The best mother-in-law, anyone could ever have.

“ Sorry to hear of Effie's passing. Seems like the years have flown by. I remember when Effie took my daughter, Katrena, along with her daughter, Pam, to a swimming pool in Richlands. Both became nurses. Effie, Shirley and I used to play together when we were kids.

She reached for a hand, and found it was God's."*
