“ *Wanda - There are no words to express my sorrow for your loss. Doil was a special and loved person by everyone who knew him. Both of you have a special place in my memory of growing up and attending church. As I told him many times, he always looked and reminded me of my dad. Which always brought a smile when I seen him. You, Rob and your family are in our thoughts and prayers.*

“ *Wanda & family;*

We are so sorry for your loss. Doil was a man I loved and had great respect for. I especially appreciate the fact that he was always so good to Aunt Pearl. He was always there for us in deaths of our family members. I am so sorry that we will be out of town during this time but please know that our thoughts and prayers are with you during this most difficult time.
