“ *Mom, Kathy and I were just speaking about Trula a couple of weeks ago and remembering her and Eli when we all attended Pisgah Church together. They were both wonderful individuals and an honor to know. Our prayers and our thoughts will be with all of you as you go through this period of loss. We are sure , however, it's a comfort for you all to know that she and Eli will be reunited in such a wonderful place as heaven and there is no doubt about that. God bless you all.*

“ *What a beautiful lady you are...especially on those days when I would mow your yard, and there would be cold iced tea and some cookies afterwards. I saw you as a spiritual saint as I grew up as a child at Pisgah UMC. You were a blessing to my mother (Linda Akers) and myself in sharing memories of my grandmother, Mrs. Cureton. I'm looking forward to seeing you in the Promised Land.*

“ *We always went to visit my aunt Trula whenever we went to Bluefield to see our friends. She always opened up her house, her heart, and her home to us. We were always so glad to see her. I hope that she knew how much we loved her. She will always remain in our hearts, and we'll see her again in heaven.*

“ *Some of my fondest childhood memories are when my family would travel and we would stay with aunt Trula and uncle Eli. Aunt Trula always welcomed us with open arms, not to mention the great food she fixed for us!*

Over the years, when I visited her, I realized how important her kindness and generosity were to me. She was a remarkable person, and I will miss her deeply. But the memories I have of her will stay with me forever.

With love, Wayne

Although I only met her 25 years ago, her spirit, and gentle nature touched my heart. When I asked for her famous Cherry Cobbler recipe one time, she sent it to me in a Christmas card. It is a treasured gift to this day. I make sure that I bring a batch to all the Jones family gatherings, but I've never been able to make enough... everyone knows it's aunt Trula's cobbler.

Goodbye to a truly remarkable woman.
