“ Buck I am sorry to hear about Gerri I remember when a patient would come in to the hosp. Would need an I V and no one not even the supervisor could stick them and the first name we would think of was Gerri. We would say wonder if Gerri was working today. She would come and stick them with the first stick. She was a wonderful person and friend. Heaven gained an angel Love and prayers always Buck

Tina and entire family, my deepest sympathy to you in the loss of your sweet Momma, and the best friend you have ever had. I pray God will keep each in his tender loving care and will give you each the extra strength for each day. I remember having worked with Ms Geri at CVMC back in late '60s. She was a very pleasant co-worker. I will keep you in my prayers and please call me anytime, and if there's anything I can do please don't hesitate to contact me. Love you my friend.
