“ I'm sorry 2 hear about Ella's passing. We worked together at Mattie Williams. She helped me b a better nurse. Fresh out of school, she was always willing 2 help me. She showed me how 2 do things in the real world instead of the ideal hospital we r taught in school. Sometimes not all "old timers" r willing 2 help a new nurse but Ella was always willing to share what she knew, which was a lot. She was a GREAT lady. You should b very proud of her. I'm very glad I knew her.

“ *Betty, Nettie, Pauline and Alice,
What can I say? I have sooo many memories of your Mom. She was such a bag part of my childhood and teen years, and I love her dearly! She and your Dad always made me feel at home when I was at your house and I guess that's one of the reasons I spent so much time there. I will be keeping you all in my thoughts and prayers in the days to come.*
