“ Frances was a very dear sweet woman and we loved her very much.

*Over the years, we shared many happy memories. We loved to go visit her and Uncle Mac. When we got there, we were always greeted by a welcoming, "come on in" as we stepped up on the porch.*

*We always enjoyed the visits, because we shared stories from days gone by and current news about family and friends. On each visit, we really didn't run out of things to say, instead we ran out of time and would have to go home. So we'd get our hugs and say our good byes, promising to be back soon. Sometimes we'd get busy and didn't get to visit for awhile, then Frances would call me and ask, "when are you all coming down to see us?"*

*I'll always cherish those visits and other fond memories I had the pleasure of sharing with Frances over the years.*

*I know she loved and cared about her children and grand children very much. I also know, we all loved her.*

*My heart goes out to her family and her dear husband.*

*God must have needed another angel!*

*Thank you Frances for being there for all us, we'll miss you so much.*

*Love,  
Diana and Billy*
