“ *In Dec 1983, I visited Squire with my Navy shipmate Kenneth R. Billings. Ellis and his family welcomed me (a traveling stranger) into their home and treated me with the greatest love and hospitality. We shared many wonderful meals. Ellis loved to hear stories about my life in Texas and share his stories about WV. I returned many times through the years and each time it was like I had never left. His welcoming smile, love, and visits are great memories to me. His strong faith was an example and encouragement for me. It was an honor to know him and be his friend. My family and I are praying for comfort and peace for all the Billings family. Love, Billy and Andrea Fenn*
