“ As I sit in heaven
And watch and see
I know with every breath you take
You take one for me
Do you feel me, I've been here from the start
I'm sitting on your shoulder
I'm beating right along with your heart
Yes of course you're gettin' a little bit older
But you got my love inside you so we're never apart
As I sit in heaven
And watch you everyday
I try to let you know with signs
I never went away
I hear you when you're laughing
And watch you as you sleep
I even place my arms around you
To calm you as you weep
I see you wish the days away
Begging to have me home
So I try to send you signs
So you know you are not alone
Don't feel guilty that you have
Life that was denied to me
Heaven is truly beautiful
Just you wait and see
So live your life, laugh again
Enjoy yourself, be free
Then I know with every breath you take
You'll be taking one for me

I will miss you greatly old man, rest easy and I am truly grateful for your love, patience, and persistence. Thank you for making me who I am today! I would not be where I am without you and Grams...
