“ Aunt Gert, Pam, Ed, Michael Ryan, and Josh. Uncle Elmer will always be missed. He was such a fun person to be around. I use to beg him to take me for a ride in his coal truck, he always said no, but I kept on asking anyway. The last time I saw him he was eating garden onions raw and cornbread, he got in my face and said "do you want some onions" then he laughed an laughed. I love him so much and I know he has gone home. Makes me so homesick. I can wait to join him and my love ones. God's grace and time is the only thing that can help you get by. Just remember to pray and lean on Jesus. Once you ask him to hold your hand he never lets go! I love you all.

“ *Gert & Pam & Ed*

Words cannot express our sorrow in the loss of Elmer. We thought so much of you all from the first time we started church at Claypool Hill. Elmer always had that big smile and Jerry and him were always carrying on with each other. I remember all those Saturday lunches we cooked when the men were building the new church, we really had some great times and fellowships. We love you and if there is anything in the world we can do to help ease your pain, please call. Wish we could be there, but Jerry is on the road, but he said he would love to have been able to come pay his respects to your family. We have been and will continue to pray for each of you that the Lord will comfort your hearts and give you peace. Elmer is rejoicing in Heaven with Jesus. With love and christian friendship always.
