“ *Elmer and Ruby will always hold a special place in my heart. The innocence and love and kindness of these 2 ppl in my life is a wonderful reminder that all of humanity is not bad. You did not have to have riches of the world to be be rich in life. I hope to see them again on the other side.*

“ *I will never forget all of the wonderful times we had when I was a little girl. You where the best Poppaw I could ask for and even though we moved away and did not get to see each other very often, I loved you more then anything. I am so glad my children got to spend time with you and got to know who you where before you passed. I'm sad your gone but happy to know that you are no longer in pain and up in heaven with mommaw and god. You will always be in my heart and always be with us. I love you!*
