“ *Ervin was one of the greatest men that I know that walk the earth and I was so lucky to have had him there for me since I was 5 years old. He also took care of my son Deion while I was serving time in Iraq in the War against terrorism. He even said when I came home to get Deion that it felt like he was losing his son, which he has always looked at Deion as one of his own and he loved him so much! He may have been my step father but he was really my dad, my fther, my provider and protector for 20 years! He may have been my son's popaw but in my eyes was also my son's father in so many ways. He will be missed greatly by all of the people that knew him! We love and miss you DAD!*
