“ *We were all blessed to have had Esther in our lives. She was a true friend who always put God, her family, and others first.*

*She and her sister, Cynthia (Cindy) treated everyone who dawned the doors of the Bandy Community Center like family. They kept the center running, scheduled community events, and spent extra time helping Southwest Virginia Community College (SWCC) students register for classes. Throughout each semester, they continued providing support in so many ways.*

*I looked forward to going to the center to teach computer classes; we always had fun and learned so much from each other. Everyone felt at home because of Esther and Cindy. We were all very proud when they, and their sisters, Ella, and Sparkle, earned their degrees from SWCC. There were so many wonderful memories, too many to recount at the moment.*

*Our lives were made better by having such a dear friend like Esther, as well as her husband Walter, and all of their relatives.*

*May Esther's family find peace in knowing how much she shared God's love and helped others. Many blessings, prayers, and hugs to you all.*

“ *Thoughts and prayers are with the family of dear, sweet Esther. I had the pleasure and the honor of getting to know Esther at the Bandy School. I loved her spirit, her dedication and love for her family, her Christian heart, and that wonderful spunk that she possessed. I am so sorry to hear this news, but I know that she is rejoicing in Heaven now. May God bring comfort and peace to your hearts. Esther was one special lady, and I am certainly glad that I knew her.*
