“ *There are far too many cherished memories of Sue to share here but the most vivid is as children, playing in Big Creek with Joy & Amy, always under Sue's watchful eye. Even when we were muddy from flipping over rocks in search of crawdads, Sue would remind us, "Comport yourselves as ladies!" Joy and Nick, we are blessed to know we will always be under her watchful eye.
Much love to you both,
Anne*

“ *Joy & Nicholas, I am so sorry to hear of Ms. Ethel's passing. She was a precious lady. I enjoyed my visits with her when she was living on Lee St. in Richlands. I will always hold those memories dear to me. Praying for comfort during this time.*
