“ *I only got to meet my grandma twice but she was very sweet and loving. I did speak with her on the phone several times, but I wish I could have gotten to know her better and spent more time with her. She welcomed me and my family into her home and told us a little bit about her family, and even told me about myself when I was very little. I hardly knew my grandma, but I will miss her. I am glad my son Caleb got to meet his Great-Grandma Etta Hicks. My family and I send our deepest sympathy's and prayers to all who knew and loved Etta. I wish I would have found out sooner to pay my respects to my grandma who now resides in heaven with no more ailments nor worries. Love the Hicks' Family here in Indiana.*

“ *Our Family would like to say we are sorry for your loss. It hasn't been long since we lost a great mother and grandmother ourselves Etta's sister in law Dovie Brewster. They were really good people and the world will be a little empty without them. Your family is in our thoughts and prayer.*

God Bless you all

“ *Dora & Family,*

We are so sorry to hear of your Mom's passing. She was a very nice lady. We will always remember how kind she was.

She also made the best fried chicken in the world. I don't think we have ever had any better. All of you will be in our thoughts and prayers.

*Love,
Rhonda & Gary*
