

Eugene Hamilton Hurst Jr.

June 17, 1942 - March 6, 2026

Every now and then, a man of great honor and character is born, and that man lives his life with true heart and love, and when he passes, there is a great sorrow that affects his whole community. Such a man was Eugene Hamilton Hurst, Jr. He courageously fought his cancer with great strength and dignity and drew his last breath on Friday, March 6, 2026, at his home surrounded by his loving family.

Gene was born in Richlands, Virginia, on June 17, 1942, and was the son of the late Eugene H. Hurst, Sr. and Billie Sue McConnell Hurst.

Gene was a graduate of Richlands High School, Class of 1959, and of Emory and Henry University, Class of 1963. Following in his father's footsteps, he then graduated from the Cincinnati College of Mortuary Science and became a funeral director.

Gene dedicated his life to serving others as the owner and operator of the Hurst-Scott Funeral Homes in Richlands and Tazewell. In this role, he was much more than a businessman; he was a source of profound love and compassion for families during their most difficult moments. Over the years, he guided countless families through grief with a gentle spirit and a genuine heart, leaving an indelible mark on the community he served. Gene lived as a testament to kindness and professional integrity.

He was a lifelong member of the Richlands First Methodist Church, where he was a member of the St. Thomas Sunday School Class, Adult Choir, Men's Breakfast, and other various administrative leadership positions. His faith, his church, his family, and his business were his life.

He held the distinction of being the longest active member of both the Tazewell County Country Club and the Richlands Lions Club. Gene was also a member of the National Guard Unit in Richlands; American Legion, Roanoke Scottish Rites, Gundy Oddfellows Lodge #17 I.O.O.F., Kazim Shriners, Southwest Funeral Directors Association, Richlands Area Chamber of Commerce, CART, International Order of the Golden Rule, and the Richlands Masonic Lodge #318 AF & AM where he was a member for over 53 years. He and his wife, Martha, were prominent supporters of the Historic Crab Orchard Museum and the Southwest Virginia Community College Educational Foundation. He will be deeply missed by his family, his colleagues, and the entire community.

Those who remain to carry on his spirit are:

His true love and soul mate of over 60 years, Martha Firebaugh Hurst

Daughter: Jill Hurst Stump, and her husband, Jimmy of Centreville, Virginia

Sons:

Gregory H. Hurst and his wife, Diane of Radford, VA

Jeffrey N. Hurst and his wife, Charity of Richlands, VA

Sister: Susie Garrett and husband, Jeff of Cornelius, NC

“ My wife and I were shocked and saddened upon hearing of Gene Jrs’ passing. We offer our sincere sympathy and prayers to his family at this difficult time.

I met Gene Jr, and his mom and dad , at an early age through my dad, when he worked for them at the funeral home. I have known him since the early 1970s, when I too worked for him during and after high school, and found he always was a genuine and honest man. Gene treated everyone, in every situation, with dignity and respect.

Genes’ wisdom as a funeral director was unmatched. He advised and supported countless families in our community, and surrounding areas. Even while interacting with people, many at a very low point in their lives, he could always bring up a memory of their loved one that could bring a smile to all. Gene knew that amusing little memories are greatly reassuring, a huge part of starting the healing process. It seemed like he knew just what each of us dealing with grief needed to hear.

Working with and knowing Gene Jr and family was a honor and a blessing I shall never forget. Rest in peace, sir. You were truly one of a kind!

“ my family lived in richlands during the gentler times. when my brother was small, probably 7 or 8 years old, he used to follow gene (genie boy) and the older boys around, hoping to be a part of that group. one summer day, he came home a bit battered and torn (nothing serious, just roughed up a bit). my aunt met him at the door, and asked, “mick, why do you hang around with those older boys? you always get hurt.”. my brother proudly replied, “aunt ginny, they’re my Friends and i want to stay just as close to ‘em as i can.”. if you were fortunate enough to have gene hurst in your life, you surely wanted to stay as close to him as you could.....my thoughts are with his family.

Genieboy. my brother Roger Clear, and Kendrick Hurt were 3 musketeers as children. I have fotos of the 3 of them in their cowboy outfits. I have fond memories of being with them on wild adventures at Claypool Hill when they let me tag along. He was a great guy. My brother Roger left this life before Gene. Their friendship endured many years. He and his family meant a lot to us. AdedHis Mom and mine led the junior Choir at the First Methodist Church. His Mom was very talented and she also was director of my wedding in 1964. Quite the lady. I used to ask her if could walk their dog Blackie. She was always kind and caring. Haven't seen Genieboy in some years. I have fond memories of him, too many to mention. He we I'll be missed by all that knew him.

“ Prayers for the family! Married into the Horton family (James) and came here to live in 1971. Got a job with Jack Persinger and later with Bob Shepherd. Met Gene early on. He was always the same, at the office or at a funeral or in a store, pleasant to be around. When James was called to preach a funeral he was professional and as some have already commented, compassionate to each family. He leaves behind a legacy that will not soon be forgotten. I got to play with Susie while my Mom was working. The Hurst family has always treated us like family and you and your Dad did an amazing job with both Jerry J and Jerry's funerals. You went far beyond helping us in the two most difficult times in my life. You showed us dignity, kindness and respect. Thank you so much. Gene Hurst was such a good friend to everyone and such a wonderful part of the Richlands Community along with Martha, they invested much to make Richlands a better place to live. “ Gene was sweet & gracious man. One of my favorite customers at V & V restaurant for around 25 years.

He has been my comfort at the funeral home many times. My dad thought the world of him. When he knew he was dying, he made sure he would be at Hurst Scott. Gene knew him & he didn't look like the frail man he had become. He looked like my Dad. I will always be grateful for that.

We had her prepped here at a local funeral home and called Gene because he knew my grandmother Juanita Umbarger for 30 years from church to arrange services and told him the funeral home here would transport her to Richlands and he said no we will come get her and bring her home it’s the least we can do. “ Jaff and family-I have so many memories of you kind hearted and compassionate to remember. He was a gentleman to all; and once he knew you; he never forgot your name. Gene had a heart for people, during the good and heart breaking times in our lives. Richlands has lost a great man that I will always admire and hold a place in my heart for him. I would always tell him,, Gene; you are the best looking man in this town, and he will always be that handsome man with a smile to me. Enjoy your heavenly reward in Heaven, as you are surrounded by the saints who have gone before you.

Not enough words to express what a wonderful, compassionate man he was. A name never to be forgotten. Angel's were waiting with open arms.
