“ My sympathy and prayers are with you. I can't believe that we won't see all four of them again. They are probably having a great family reunion at this very moment.

May God be with you in this difficult time.

My Love & Prayers  
Peggy

“ Rick, Lisa, Kent, Kala and Kara,

*I'm so sorry to hear about Ms. Goodman. She was always such a nice person to be around.*

*I remember meeting her for the first time at one of Preston's games. I was sitting behind the bench keeping stats and she was sitting very close to me. I smiled and said hello and we began chatting. She told me that she was there to see her son. I was somewhat surprised, given her age and the fact that I thought I knew all the parents. I asked her which one was her son. She smiled and told me that the "big one" on the bench was her son -- she was there to see Ricky coach.*

*I always enjoyed talking to her after that and looked for her at games to see if she was there to watch her son that she was so proud of. I know she'll still be watching Rick coach and Kent, Kala and Kara play.*

*My sincerest condolences to your family.*
