“ *Dear Whitt Family,*

I remember your mother from many years ago when I would visit my sister Eleanor. She was always a very nice person. I am sorry for your loss and know she will be greatly missed. It is hard to lose a mom, but take comfort in the knowledge that she has a better home now with God and is not suffering anymore. That may sound useless right now, but in the days to come, draw comfort from it and it will get you through. God bless you all.

*Respectfully,
Sherry Sluss*

“ My thoughts and prayers go out to each and everyone. I have held a special place in my heart for Mousy for many years now. She done something for me when I was a young girl that has helped me through the years. Even though I didn't stay in touch I think she knew that she was a special person. May God comfort all of you.
