“ *Where do I begin about Wade - better known to his Danville friends as Cowboy. A faithful husband, a good father, and a terrific friend! Cowboy was a friend to all he met. If he said he would help you, you could bet your last dollar that he would. His smile and laughter would brighten any room. His positive outlook on life brought him through some very trying times of sickness here on earth. We will miss you Cowboy, but God needed you more! Until we meet again - Godspeed! Love and prayers to you Tammy and Gabriel.*

“ *Joann and Family*

*I am so very sorry for your loss. I didn't know Wade personally, but I know he had to be a good man, considering his parents and grandparents. I pray that God will comfort you in this trying time, and that the memories of Wade will forever be in your heart. Give our Love to Margaret, and the rest of the family. I am sorry I didn't make to the service, but I don't get a paper, and don't listen to the radio, so I didn't know it until it was too late.  
God Bless you all!*

“ Tammy and Gabriel,  
We so very much enjoyed getting to know Wade, you and Gabriel during tee-ball. He was such a joy to coach with. I will miss his BIG smile and wave each morning as I take the boys to school. It always brightened my day! Rick enjoyed the chats that him and Wade had at Cowboys in the mornings. We did not get the chance to know Wade for very long, but we wanted to tell you and Gabriel what a fantastic person we thought he was; we know you already know that. We will hold each of you close in our prayers. God bless you both.

“ I did not know Wade personally but know his Uncle Mitch and Aunt Diane well. I had him on the prayer list at my church and my personal list as well. I know he has had a battle and has fought it well. The memory of him will always be in your hearts. May God's Grace strengthen you, and may your heart and soul find peace and comfort through God's love. Thinking of you during this difficult time
