“ *Larry, i lost a dear friend in your mother she was such a trooper, and will never be replaced. My heart goes out to you and your family during this time, if there is anything I can do to help out dont hesitate to call.*

“ *Fannie was a special person. She and I liked the outdoors and fishing and camping. Her mother, Julie was a neighbor and friend, too. Jimmy is like a big brother and Larry and I attended the same elementary school and high school. I had planned to attend the funeral but the snow and ice kept me in Bristol babysitting my grandchildren. My prayers are with the whole family. We can see her again in Heaven!*
