“ *I had he extreme pleasure of worshipping the Lord with Fern for almost ten years. She was a devoted Christian and a loving woman. Don't despair, for she's in a better home. SHe is now worshipping at the feet of Jesus and running down those streets of gold. If she had one thing to say, I can imagine her saying, "Loved ones, I'm home and pain free." I know this won't ease the pain, but know that she's in a better place. God bless you all and my prayers and deepest condolences are with you all.*

“ To the whitt family. The only time i was around sister fren was in revival mettings at sister jones church. If there is any thing i could say to you at this time of your great loss it would have to be this. Fren was real and what i mean by this is as a preacher you meet a lot of people some real and some not so real. she loved god and it showed. if one could read a person like the pages of a book then i would have to say she was Romans 8:38.39. With deep sympathy may god bless and keep the whitt family amen

“ We wish to express our deep sympathy for the loss of Siter Fern. As we filled in at the Church from June 2004 Until January 2005 we grew to know and love Fern deeply. She was a woman of deep respect and was truly dedicated to God. She always thought of others and never complained about herself. We all love and will miss her, but are looking forward to the day we will be together again where there will be no sickness and no pain or sorrow. Our prayers are with the family That God will strengthen and encourage you all. With Deep Sympathy Arey & Jackie Bandy
