“ *I meet Mrs. Smith through my sister who is a beautician at the Heritage Home Nursing Facility. I only got to meet with Mrs. Smith a few times and in the times i spoke with her she was so precious. I do send my deepest sympathy. I had made a few bake goods to take to the nursing home and Mrs. Smith was one of the first ones i encountered as i trailed down the halls. My sister took me to her room and there she set full of life and such a wonderful since of humor. She will be a lady i will not forget anytime soon. I will have to say her smile and her laughter would make anybody's day. May god be with you all in this time of sadness. I will miss her dearly as i make my way back down the halls of the nursing home it will sadden my heart not to see her smile and to hear her laugh and joke. She was a wonderful lady who i will always remember. God Bless and God be with each and everyone for she is in his hands and his arms safe and without pain looking down upon each and everyone smiling as she did in the room she was in at the Heritage Hall Nursing Facility as i myself will remember her.*
