“ Today my world came crashing down around me with the loss of my beloved Uncle Fred. As far back as I can remember he was always there for me and called me his Peanut. I loved this man with all my heart & soul. I will miss him immensely but I know he is free of his pain and suffering and is flying over us with the Angel's and will always watch over us, Especially Aunt Jean and his sons and "daughters" which is what he considered his sons spouses. Fly high & free Uncle Fred you will be missed by all 🙏🙏🙏🙏
