“ Richard, I am so sorry to hear about your mother; I thought a lot of her, and she was a very special person, as you know. I am sorry that I cannot be there for you, but I know there will be lots of friends and family. I remember the last time we saw you and your mother was was in Richlands V & V Restaurant. Love, Billie

“ Dear Richard and Family, I was so sad to hear of Frieda's passing. She was a delightful lady who had many interesting stories to share. Her love for her family was clearly evident. I will always treasure the dishclothes she made for me and for my church's mission auction. Please know you are in my thoughts and prayers.

“ Our thoughts and prayers are with you at this most grievous time. I remember fondly that your mom & dad were wonderful neighbors to the Fields family at Harman and later on Meadowcrest Drive in Bristol. What I remember most was her ability (like Dr. Sutherland) to give a pain-free 'shot' when she worked as Dr. Sutherland's nurse. I know mom & dad considered your mom & dad the very best of friends! What a lady! (And per your wishes we are making a small donation to the Red Cross in her memory.)
