“ *Regardless if we can see you all or not. There is a number of people who really loved furl for who he was, not what everyone wanted to make him out to be. He will be sadly missed & most of all we will always remember him for his honor in the loss of our sister, Teresa, we were honored to have Furl as part of our family. He honored Teresa by carrying her to her grave for us. Not only me but my whole family will miss & always remember him as our great friend. Sorry for your loss. If there is anything we can do to help you through, we will be more than glad to do it. To His mom, Jackie, Stevie & Anthony you have my deepest sorrow.*

“ *Many years ago we became friends when we rode to work together. The stories we told and the laughs we shared. You always had a kind word and a big smile. Furl if you'd only known how many friends you really had. It is our loss and we will miss you greatly. I sincerely hope you've found the peace you were looking for. We love you.*

“ Sis. Molly, Naomi, Susie, Jackie, & families: We were so saddened to hear of your loss & sorrow. I thought of the times when Furlin & Jackie would ride school bus #31 many years ago, when Jackie drove a coal truck over @ the mines where Dale worked, how we went to church together for many years, how Susie, Blake & our kids went to school together; and how much Dale loved sitting close to Ashley in church when she was just a little girl, and how he loved to tease her and watch her reactions (we both did). How Stevie's son & Kris use to play Little League together, & how our families have been connected through marriage (the Shelton's & the Strouth's). Also Kevin's acquaintance with Lee. Seems like there have been many memories to hold dear to mind & heart; and we consider having known members of your family and being your "friends" as very dear treasures! We both hold you all in our thoughts and prayers & we are truly sorry. Love & Prayers, Dale & Jean
