“ I've known Keimer since the 5th grade, growing up in the same schools with him, our pool days together, were alot of fun memories. He always had a smile for me and would make me laugh or smile when we interacted throughout life. He was one of my VERY FIRST Boyfriends. Loved his sense of humor and kindness. He enjoyed his life and had just bragged to me in May how he had over 38 yrs of driving an 18 wheeler and had over 7 million miles under his belt! I have to admit, I was impressed! He has seen alot of our country! He loved his family! He definitely will be missed by many!!! We had a song back in that day, "Slow dancing" and swaying to the music.....I have to admit, that to this day, when I hear that song, I still thought of him! I send so many prayers and hugs to his entire family.....Stephanie Connor
