“ Mary,

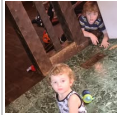

I am very sorry that I could not be there with you at this sad time, but there is no way that I could make the trip. I'm just not recuperating so quickly from this surgery. Know that you and your family are in my prayers each day and God will take care of you all as He always does. Look to Him each day for strength and comfort. We all love you so much. I know that Gary will be missed but he just could not get better. Hugs to you!!!

“ Gary will be loved and missed by all of us!!! Gary always loved all of his family and only wanted to be loved. The thoughtfulness and consideration that has been shown to Gary's parents would have been so comforting to Gary.
