“ *It was with a heavy heart that I received the news that Georgia had passed away, but I rejoice in knowing I will see her again some day. My thoughts and prayers go out to all the family; I wish I could be there with the family, but with Joy's health, it is impossible for me to travel now. I will be praying for God to give all of Georgia's loved ones the peace that passeth all understanding. With love , Herbert*

“ Sincere and deepest sympathy is sent to Georgia's family. We were friends since grade school. She was a great person. She was always cutting up and laughing. I can't ever remember her not having a smile. She was a dear friend. I haven't seen her in several years, but I am sure she was still the same jolly person that she was when we were growing up. May God grant each member of her family much comfort and peace. God's blessings to each of you. Will be praying for your family.

“ Georgia was a dear school friend and I am sad that she has passed. I know she is rejoicing in heaven. She was always fun to be around and brought out the best in those around her. She was full of life and will be sorely missed. I cannot remember ever seeing her without a smile.

“ Georgie was a wonderful woman and will be deeply missed! As a child I loved to go to her house she always made the best breakfasts! I remember she would get so mad because I would hang on to mommas leg in the kitchen!(Rachel)
I wish that we could be there now with you all. We all know that shes in a much better place now; however, it doesnt make it easier to lose her.
I love the picture that you chose, its exactly how I remember she looked, she was a very pretty lady!

“ So very sorry to read of Georgia's passing. We grew up together on Jones Chapel Road. She was always so delightful and was never without a smile and that smile was so catching! I saw her last a few years ago when she worked at Wal-mart and she had not changed at all. My prayer for you and your family is that the Lord will place His loving arms around you and carry you through this difficult time. She is now rejoicing and is pain free!
