“ *I would give anything to have been there when my Mommaw was ill and to be there to comfort my family in her passing. I know Popaw Conley greeted her with open arms and said "What took you so long Georgie!" She is in a better place now and no longer in pain. I miss her so very much and talk to her and Popaw daily, and of course, at night when I pray. They were both like second parents to all their grandchildren and to know that that are together again brings me peace. Thank you to everyone at Clinch Valley(richlandshospital) and Hurst-Scott Funeral Homes for helping Mommaw Conley rest in heavens arms and comforting all the loved ones that miss her so.*
Sincerely,
Little Cindy Lou
