

Gerri Lynn Flanary

January 25, 1962 - April 30, 2021

Gerri Lynn Flanary, age 59, of Lawrenceville, Georgia was called to be with her Lord on April 30, 2021, following a brief illness.

Gerri was born and raised in Richlands, Virginia and graduated from Richlands High School in 1980. She earned a Bachelor's Degrees from both Longwood College and Virginia Commonwealth University. She earned a Master's Degree in Education from Georgia State and an Education Specialist Degree from Piedmont College in Georgia. While a student at Longwood College, she was president of the Delta Zeta Sorority whose creed says, in part, "To those whom my life may touch in slight measure, May I give graciously of what is mine." Gerri was a beloved and award-winning history teacher and the head of the Social Studies Department at Duluth High School in Duluth, Georgia. She never married nor had children but loved all her students as her own, mentoring a great number to prestigious universities and great life accomplishments.

Among those who preceded her in passing are her parents Richard and Betty Flanary, and her grandfather, Richlands icon Guy Flanary, for whom a Richlands Little League field is named.

Gerri is survived by her longtime partner, Jim Mullins, also formerly of Richlands and her stepdaughter Emily Mullins. She is also survived by her

brother Richard Flanary, Jr of Jalisco, Mexico, his wife Magdalena, and their children James and Allison. And Geri is survived by her brother Mike Flanary of Roanoke, Va, his wife Ashlee, and their children Cael, Blake, and Harper.

At Duluth High School, Geri was also the leader of the Care Team. Using public donations, this organization comes to the aid of students whose families are experiencing financial crisis. This help comes in the form of free eye glasses, school supplies, or even something to eat. In lieu of flowers, the family asks those, who wish, to send a check in Geri's honor to: Attn: Ciji Thomas Duluth High School Care Team 3737 Brock Road - Duluth, Georgia 30096

“ Geri and I were in contact later years after high school, but our conversation was normally about what was going on with Jeopardy. She was always checking on my health lately, and all this time I was unaware of her illness, she was a great caring and loving person for as long as I've known her and she will be missed.
