*Words can't express our deepest love and respect that we had for Gertie. She was a special person. Our deepest and sincere sympathy for your loss. We really had some wonderful times when you all were growing up that we will never forget. When we visited her, all she talked about were you and her grand children. We can't be there in person, but we will be there in spirit and our prayers. We love you and may God comfort and bless you both.*
