“ *When God calls our loved ones home, he leaves a gift of memories in exchange. Hold on to those memories and let them guide you during this time of sadness.*

*Glan was one-of-a-kind ...very caring .
She would call often to check on my mother and that meant a lot to me. I know they had a mutual respect for each other. She would always talk about how Mom took such good care of her mother when she got sick and how she (Glan) would not have graduated high school without Dad's financial help to her and his mother.*

May they all REST IN PEACE1

*“ I was very sad to hear that Aunt Glanis had passed away. I will miss her deeply, as I am sure so many others will also. Living in Ohio, I didn't get to visit Aunt Glanis and Uncle John as often as I would have liked over the years, but I will always remember how much I enjoyed the conversations and laughs we shared during those visits. Aunt Glanis would always go out of her way to feed us and make us feel at home there. She would call John Jr. and invite him too because she knew we looked forward to getting to see him as well-she was so accommodating.
I will always remember the pleasure I felt whenever I would call her on the phone because she seemed so excited to hear from me. It made me feel good knowing she felt that way about me too.*
