“ *I loved working with Glenda ! We met at Twin Valley Elementary where I was teaching. My most fond memory of Glenda was when we had decided to all dress for Halloween as a group effort in a theme the children would enjoy and relate to. We decided upon, The Wizard Of Oz. with Kathy Gillispy as Scarcrow, Ora Clevinger as Tin Man, Brenda Cook as Wicked Witch, I was the Cowardly Lion, Mr. Crumpton was the Wizard ---there was no question on who would be Glenda the Good Witch----I loved making her costume and may I say she suited the part ---She was lovely.....RIP , cancer free my friend know that your time here will be remembered I'm sure.... “ *When I first started working with Glenda, it was at Twin Valley Elementary School, I was so nervous and worried about fitting in, but when I met Glenda I knew we would become friends, she was a country girl just like me, we hit it off the first day and became fast friends, she always made me smile and laugh. I feel so blessed to have met her and I will cherish all the memories I have of her.*

Glenda always had a kind word and a sweet smile for everyone..always caring and wanting to help others..She put up a brave fight during her illness, never doubting God. She said she would walk again one day and I believe she is walking on streets of gold with no pain and suffering..RIP Glenda..love you sweet neighbor...
