“ *Betsy, Tommi, Amy, Chris & Family:
My sympathies and prayers go out to you and your family. Glenn was an awesome person and played a special part in my life. From the time I met him he always showed his love. Glenn was a man you could sit down with and talk to for hours and there never be a moment of silence. Always understanding and willing to help a person in any way possible he truly will be missed. To Glenn I thank you for the person you were to me, as well as the Grandfather you were to my child. I will always remember you and neither me or Landen will ever forget you. To the family: If there is anything you need today or forever, never hesitate to call.*

*Love,
Jamie*
