“ *Ginger,*

Our thoughts and prayers are with you. I can only hope that you know how much our family has loved you and Gordon. We grew up with him and I can't think of anyone who made me laugh more or had a better ability to brighten anyone's day. He loved life...every second of it! His friendship with Dad was special. The two of them went through so much together and were like brothers. Hugs! We'll talk soon!

“ As an official buckaroo I always looked forward to Square and Sug stopping at the post office when they made their daily rounds as I knew when I saw the truck there that we would be the next stop. He would come and take me for a ride in the dune buggy or the love bug and I will never forget the infamous wooden bird he made and coined the "Bundy Bird". I always loved Square like an Uncle and my heart hurts and is heavy but I thank God for allowing me the opportunity to have known this great man. I send my love and hugs to all the family.

“ Our first thought of Square when we heard was of his and Gingers Support for the Hog chapter when we got it started. He was always there and was always with a crowd around him with a story that would make you think you were there. He rode with us as much as they could. We had a good ride to The Moonbow in Kentucky despite the rain. If i remember he put on a trash bag at our stop and we rode on. All was good. We will all miss him and cherish the time we spent with him. RIP my Friend
