“ *Aunt Grace, Thanks for all the love you gave us. I remember all the fun days on Quarry Hill and how much you loved those cats, not to mention your salmon cakes and potato salad. It seems like just yesterday we said good-bye to Uncle Paul but I know what a home coming it is in heaven with Mom, Aunt Gin, Aunt Lucy, Aunt Mag, Uncle Bob and the rest of your beloved brothers and sisters and most of all with our Dear Savior Jesus. Love Ya. David*

“ Aunt Grace has been special to me; I remember the times when I was little when she & Uncle Paul would have us over to spend the night (most vivid was when they lived on Quarry Hill).

Most recently I cherished the time from my father brought her down to see us when we were living in Vidalia, GA. She spent the week with us & we just had the most special time. We were able to take her down to my brother's house in Jacksonville, FL & that was her first time to see a beach & what a special memory that will always be for me.

When I found out that she had passed away, I automatically thought what a special "Homecoming" was going on up in Heaven & she would be seeing my mama (Wanda Maye Martin Tatum) & my nanny (Margaret Ellen Martin) along with Uncle Paul & her own parents & siblings.

I am very saddened that I can not make home for her funeral; circumstances beyond my control have prevented me from being able to come home. I truly hope that Aunt Grace knows that I love her so very much.

I praise the Lord for her life on this earth.

Love ALWAYS,
Joyce "Lynn"

“ *Barbara, this is to you and your family. You have my deepest sympathy. I feel your loss, because I too have lost someone dear to me my mother. Your Aunt Grace is resting now. No more pain, no more confusion, no more blindness, no more tears. She was promised, three score and ten years, she has gone over that, which is a blessing. She's resting in the arms of a Just God.*

Love you,

Joyce Ann

“ *I want to say how much Aunt Grace was loved by her niece Wanda Martin Tatum's family. The one SPECIAL NIECE not mentioned should have been Joyce Lynn Tatum-Teem. She was loved by Aunt Grace. Aunt Grace ment alot to her. We all loved her especially me, as she was the one who loved animals as much as I do. She made some of the BEST Apple Butter and would always make extra just for me. She was a funny and loving person. She would do anything for anyone. She will be missed by her Great Nieces and Great Nephew Tatum. With all our love Aunt Grace, you will be missed.*
