“ *Dear family you are in our thoughts and prayers during this sad time. It's unbearable to lose a loved one, but may it comfort you to know that understanding hearts are hurting with you. May the days ahead be filled with the love and comfort that only trusting God brings.*

“ Peggy, Debbie, Michael, Tammy and Larry:

It has been less than a year since Karen and I lost our mother so I know the loss that you are feeling - for you have lost a husband, father and friend. I am so sorry that I cannot be there physically for I have no time off till August - but I want all of you to know you are in my thoughts and prayers.

Mom often spoke of you all highly and I know, when she was able, that she loved to come over there and visit. She even talked about her and I coming over a few times but she never felt like doing so any time I was in visiting the last year of her life.

I am thankful for all the support you all gave her and again, all of you are in my thoughts and prayers.

God Bless All Of You, Sincerely, With Love
