“ Grendia and I have been friends since 1952, when we moved next door to her grandparents, Witcher and Earnestine Mullins. My brother Anthony, Grendia and I, along with all of her first cousins grew up together in the little Whitewood community. We attended school together and played together as children. When she and Roger married they moved to Florida. We kept in contact all these years and remained friends until the end of her time here on earth. I loved my friend, will miss her and will see her again in Heaven.
