Theresa, words cannot express how much I symphonize with your pain. I know that even though you are thankful that GW is out of his constant pain, you miss and will always miss him. My thoughts are with you and Josh at this hard time.

“ *G.W. was always a good friend and neighbor. He always had a big hello and a smile for me whenever he saw me. I will never forget his kindness of paying to have my husband's headstone put on his grave. He will be sadly missed by everyone who knew him.*
