Harley was a good friend to me and my Mom, Bonnie Meadows, while she was at Heritage Hall. He talked a lot about his daughter, and thought the world of her. My heart goes out to her and the family. He was a very good man.

“ *Harley was a sweet man who had a lot of stories to tell. I will miss our coffee and hot chocolate walks and the way he would quirk his eyebrow at me in the morning and say "haven't had your coffee yet, have you grumpy? Well, let's go get you some." Our small part of the world has become less with his passing. Your room is empty like a part of my heart. Fly high my friend..you shall be greatly missed.*

Harley has been a dear friend of mine for many years. I am sad to hear of his parting but I know he is in heaven with his wife and many friends. I will miss our visits at Heritage Hall but I know he is in a much better and happier place. Good bye Harley!
