“ *Dear Alexandra, Lisa and I were very sad when we heard Harold had passed away. I remember talking to him when he was able to discuss his life experiences previously. You and he certainly have had a variety of interesting travel and work experiences. Please advise me if there is anything I can do. Sincerely, Gary Q. Casey*

“ Xandra,

Geneva called me about Fab yesterday. I was so sorry to hear that he had declined so quickly and want to express my sincere sympathy. I am in Nashville and probably will be for a while. I will see you when I get back. Things are going well here - the tiny ones are eating and growing.

Love, Ellen
