“ *We don't remember you because we were so little when you left our lives but we are sorry to see you go without getting to know us better. We have 1 picture of you with our mom behind you at your kitchen table in N. Taz. that will remind us of you. Even though our mom and the rest of your family don't get along with each other, we wish that we could have met you and let you see how good mom did with us. Now your gone and you'll never see us grown up except from the windows of heaven. We have to go now because our mom said that she didn't want anyone getting mad at her for this (because we know they will) and we will say "Good Bye."*

“ *Uncle Harold will be remembered as a very caring man who loved his family deeply. I truly hope that the fond memories we have of him will bring us comfort during this sorrowful time. This year has been extremely difficult. May our faith in God sustain us all.
