“So sorry to hear that Merlene has passed. We have many, many great memories with her, Bill & all of us when we were kids. Church, baseball & Saturday nights at Archie & Maxie Helton's Store stand out in my memories. Jerry of course remembers that you all were neighbors & then he worked with your Dad at S&S. Both of your parents were the first to be at your house if ever there was a need. Prayers for you all.

“ *This sweet lady opened up her home for years to her and her husband families that passed away. The food flowed thru that small kitchen a many time. She always had a smile on her face and never seemed to get upset.*

Aunt Merlene we are so glad we got to see you last month and I will always remember the smile you had on your face when it was asked what happened to your front tooth, and you calmly said I guess I swallowed it.

I will miss you so much and glad you are in heaven with your saviour and family and no more pain. Us that love you and are left behind are mourning your departure but know I'll see you again soon.
