“ Farewell Dear Hazel - God has called his sweet angel home to the mansion he has for you in Heaven. We will see you again one day in all your glory. It was such a priviledge to celebrate your last birthday with you. Among the many treasures God has waiting for you, he has your very own "big rock" I am sure. A lady so strong yet humble, so kind and caring of others and so appreciative for the simplest of things. You touched our lives and we will never forget you! Love Bobbie and the Colonel (Greg Ansley)

“ Farewell Dear Hazel - I will treasure the time we shared with you at your cabin and at my brother Gerald's house last year for your 83rd Birthday Party. Also the letters you wrote to me. Me and the Colonel will miss you - we were looking forward to seeing you in the Spring. However, now God has called you home to the mansion he has prepared for you and your earthly cares are no more. He will have a big "rock" waiting for his precious Hazel. Please put in a good word for us up there. You were such a gift to our life. Humble but strong, content and grateful, kind and joyful for the simplest of things. We will never forget you!
