“ *When we moved to Johnson City we moved in next to Miss Hazel and our lives were changed for the better. She was like our grandmother and a friend. She was the best cook and always wanted to make something. Macaroni, cake, tomato pudding, or soup. She always loved getting pizza or doughnuts.*

“ I remember Hazel and Ed fondly as dear friends as I grew up. And then Hazel came along side as an encourager to me during my mom’s declining years (Marie/Dot McCann).
Loved her as a part of the family. Praying for God to comfort you who are left behind that you will trust in our great God Who does all things well.
