“ *As many of you know, my momaw Helen was a strong and wonderful person. Besides my mother, she was my best friend. I can't think of a time that she or my mother were not there for me from the birth of my two children to everyday things. Momaw has met the good Lord above and that is something to celebrate. I love my momaw and will never forget our thousands of memories. I love you momaw. Until we meet again.*
