“ I had the honor of meeting Ms. Jennings around November of 2006 when she came to Clinch Valley Medical Center to receive radiation treatment. Although my acquaintance with her was brief, she was one of the most beautiful and kind people I have ever met. She always had a smile on her face, and seemed to love everyone.

My condolences go out to her family. May God's love strengthen and guide you through this difficult time.

God bless you all!
