“ *Danny, Richard and family,
How very sorry I am of Helen's passing. I
always loved my visits with her and am sad
that this virus put a stop to it. She always
treated me so special as Pam and I were
growing up. The nights that I spent at their home warms my heart
with memories. My prayers go with you all and I pray that the Lord
places His loving arms around each of you and gives you comfort
and peace. Love and peace to all.
